**Rats and Rat-Catching.**

From the Philadelphia Press.

Said a prominent rat-catcher of this city yesterday: "The theory that rats and mice can be whittled out of their hiding places by constant individual snuffing is a delusion. In their trade in the old country, I do not believe in. Other means are used, and the whittling is only advanced to cover up the true methods. To eradicate this class of vermin requires a strong brain power. There are several breeds of rats and mice as distinctly different in their habits and peculiarities as the races of men. Most of the smaller animals are afraid of fire, and a new process is now being used successfully in cellars and houses that are overrun with rats to attract them to a

means of this process. When a rat gets out, he becomes stout as an elephant and grows up very slowly. I have seen them about the wastes as large as small cars and any one singular how, under the cover of night, they will depart a leaping ship or a dangerous coal mine.

He fled to avoid marriage with the lady he had courted.

William Kramme, president of the Kramme Dry Goods Co., at 800 North Eleventh street and living at 917 Drexel street, has been heard from and the cause of his disappearance explained. A letter dated at Kansas City was received by his brother a few days ago. The story given out is that Kramme, who is 32 years old, was engaged to be married to one of his nieces, a young woman named Miss Nellie Brinkmeyer, daughter of Henry Brinkmeyer, vice-president of the St. Louis Washington Tea Co., at 800 North Eleventh street. The wedding was to occur in June. It is said, and in April Miss Brinkmeyer left her place. It was thought to prepare for the wedding. When the time arrived Kramme was heard of no more. It is said, releasing him from the engagement. The only reason Kramme's family gives for his action is that he must have changed his mind.

## THIS YEAR'S CRACKS

What Judge Burke Thinks of the Two-Year-Olds.

TO TAMBLEN HAS NO SUPERIOR AS A THREE-YEAR-OLD.

Interesting Criticism From a High Authority—The Browns to Open Up the Home Season With the Chicagoes Thursday—Gossip of the Ring and Wheel—General Sporting News.

When questioned recently as to the relative merits of the best 2 and 3-year-olds of the West as compared with those of the East, Joseph J. Burke, America's most noted racing judge, who officiated at Washington Park this summer and who is at present residing in his usual capacity at Saratoga, said: That is not an easy question to answer. Yet the turf world may be supplied with a satisfactory reply before a month rolls round, for judging from the good race of Pitus at Monmouth Park two weeks ago, and taking the grand-looking colt King Lee as the line to go by, I rather think that G. W. Johnson, the winner of the Hyde Park stake at Washington Park at that time, would hold his own with any 2-year-old which has yet been seen in the East.

Here is the way I put it out: In the Kenwood stake, five furlongs, over a heavy track, as the time (1:12) shows, Pitus, 18 pounds, beats King Lee, 12 pounds, by half a length, the last named racing under the whip for more than a quarter of a mile. In a purse race run three days prior to the Hyde Park stake, King Lee, 12 pounds, beats Maid Marion, 15 pounds (who had a few days before won in run-away style), three-quarters of a mile, in 1:16, notwithstanding that he (King Lee) had been badly kicked at the post, and finished with blood streaming from a wound thus made in the "arm" of the near foreleg.

Three days later, or before King Lee could possibly recover from the effects of his injury, he carries 121 pounds, concedes eight pounds to G. W. Johnson (full brother to Huron) and runs second to the last named in the Hyde Park stake, with a margin of three lengths, thus establishing the correctness of the running. Now, while the winner won in grand style, King Lee's performance in this, as in every other race in which he has run this year, made him out one of the sturdiest, gamest colts out—and yet he has not the speed possessed by G. W. Johnson.

There is a right line is a stake colt in the East, both King Lee and G. W. Johnson certainly can hold their own in the 2-year-old class.

Now we come to the 3-year-olds. It has been my good fortune to see To Tamblen win four straight races out West, beating all the best 3-year-olds in that section. The American Derby winner, Carbine, who was defeated by her, proving beyond a doubt that she had added that trophy to the one she had won in the past, and that she was a colt who has been placed to her credit. Her first fastest race was run at Fairbury, Neb., when she beat that excellent colt Farraday and made a new record at a mile and a half in 3:38 and the last mile in 1:34.

The great feature about To Tamblen is her indomitable gameness. In every race that I have seen her run she has been invariably in the lead, and she has never been out of the lead in any of her races. She has won several of her races in the most brilliant manner, and she has never been out of the lead in any of her races.

Just what she could do in a hard finish under the grand masters of race riding as Tatal through no fault of her own, she has never indicated that either of these great jockeys would get more out of her than could be obtained through no fault of her own.

CHICAGO, Ill., Aug. 2.—There may be another suburban race track in operation at this point next season. If the Garfield Park syndicate is worsted in the courts and abandons its West side track, there will be, it is said, a split in the management of the track, and the Chicago Race Association, headed by John Gordon, going to Indiana, and another, with George W. Hanks at its head, will operate a new race track in the West.

NEW YORK, Aug. 2.—One of the boldest wire-tapping schemes which has been attempted for several years was successfully put through by a gang of sharp young men last Saturday in this city, as usual, pool-room keepers were the sufferers, but one member of the gang played the two principal workers of the scheme false there is probability that the affair would never have been discovered, as it was so admirably arranged and executed that even the Western Union telegraph experts were fooled. One of the principal race department circuits of that company was tapped, returns were delayed and bets were made by wire in a scheme and then the results were sent by the operators who were at the pool room. The pool room lost so heavily that they appealed to the telegraph company for relief. How much the game was not known, but one of the persons on the inside says the amount is not less than \$2,000 and may be \$5,000. The circuit which was tapped has eight or nine offices on it, and so skillfully was the wire-tapping done that the telegraph company was entertained until after the races were over.

AT EAST ST. LOUIS.  
Buckhorn, the first choice, who closed at 6 to 5, captured the handicap, which was the event of the day at the course across the river yesterday. Trump, a second choice, who closed at 2 to 1, defeated Lucy Howard and other good ones in the opening scramble; Virgin, a third choice, at 4 to 1, was successful in the second event. Tricky Gardner, another second choice, who closed at 5 to 1, captured the third race, and Enlucky, an odds-on first choice won the closing event in the handsomest kind of a manner. The summary follows:

First race, Owners' Handicap, five-eighths of a mile, 1:30. Tricky Gardner, 12 pounds, won; second, Enlucky, 15 pounds, 1:30. Second race, five-eighths of a mile—Virgin won; Tom Ward, second, 1:30. Third race, three-quarters of a mile—Tricky Gardner won; Jack White, second, 1:30. Fourth race, five-eighths of a mile—Lucy Howard won; second, Enlucky, 1:30. Fifth race, five-eighths of a mile—Enlucky won; second, Tricky Gardner, 1:30.

A pair of favorites, a second choice and an 8 to 1 shot won the purses at the South Side Park yesterday afternoon. The weather was clear and warm and the track fast. Pebble Rock an odds-on first choice captured the opening dash; Superb, an 8 to 1 shot was successful in the second event; Minora, who closed at 2 to 1 won the third race, and Zootie an underdog 3 to 1 shot walked off with the closing event. The summary follows:

First race, four and one-half furlongs—Pebble Rock won; La Puente, second, 1:30. Second race, five-eighths of a mile—Superb won; Red Bauer, second, 1:30. Third race, three-quarters of a mile—Minora won; Brown Ruston, second, 1:30. Fourth race, five-eighths of a mile—Zootie won; second, Dan Tucker, third, 1:30.

Anger failed to materialize in the fourth race at South Side last night, and the event was declared off by Judge Hatch. J. H. Hall, the owner of the absent animal, was fined \$50. The start in the second race was de-
